This week we celebrated the Olympics! On Monday, we made Gold Medals for the end-of-week ceremony. Binny was voted "Best Big Brother". On Monday we also had our weekly Yoga lesson with Miss Mona. Andrew is a champ at the Roadrunner Pose and Michael G. loves the quiet mouse pose.

On Tuesday, we had our last visit from the Travelin' Tumblers. We had a great time. Joshua loves pencil rolls and Emily's favorite activity is the forward roll. We also had a trampoline this week that Michael S. loved.

On Wednesday morning it was a little chilly and Seth bundled up with his sweatshirt. This week we made Rice Krispie Treats. Jesse and David got particularly sticky with this snack.

In aftercare, Aviva and Jason love to make sandcastles before their Moms come.

We're all excited for the fun Bus on Friday, and for Sam's return next week!

Volunteers: Melissa Heber & Lindsey Wolfeld

Wow, this week flew by fast! We welcomed two new campers, Stephanie and Gabrielle, to our group. Everyone made them feel welcome and part of our group.

We start most mornings outside where the children enjoy playing in the sandbox, running through the sprinklers, riding the bikes, and blowing huge bubbles with our counselor, Ariell. The fun continues when it is time to go inside. This week we had two special guests, Miss Mona who leads us in our weekly Yoga lessons, and Miss Kristen from the Travelin' Tumblers. Our Head Counselor, Morah Toby, can often be found doing Arts and Crafts projects with the children.

Before lunch time you will often find one of our volunteers, Melissa, dancing and singing with the children to

their favorite songs, "Monkeys Jumping on the Bed" and "If You're Happy and You Know It". After lunch our other volunteer, Lindsey, loves reading stories with the campers. At the end of the day when nap time is over, our Counselor, Rachelle, has a blast playing with the play dough with the children.

We are looking forward to continuing the fun next week!
